

A hotline for Iraqi citizens affected by the ongoing humanitarian crisis is established by a team of UN agencies and NGOs led by UNHCR Iraq.

What can we help with?

- Information about education
- Questions about registration
- Information about shelter provision
- Information about food distribution
- Information about health care
- Logging any issues related to support from UN agencies and some NGOs

What can't we help with?

- Information about Government services
- Information about leaving Iraq and seeking asylum
- Information about receiving government salaries
- Advice about jobs
- Emotional support for traumatic issues

Please feel free to call us on 6999!
