

Request for Quotations (RFQ)

RFQ Number: DCEO-ERB-TECH-2022-054

Issuance Date: 22-September-2022

Deadline for Offers: 06- October- 2022 at 05:00 PM

Description: Supplying Weighting, filling, and packaging machine.

For: Durable Communities and Economic Opportunities (DCEO) Program

Funded By: United States Agency for International Development (USAID),
Contract No. .72026719D00001

Implemented By: Chemonics International Inc.

Point of Contact: Procurement Team at dceoprocurement@iraqdceo.com

***** ETHICAL AND BUSINESS CONDUCT REQUIREMENTS *****

Chemonics is committed to integrity in procurement, and only selects suppliers based on objective business criteria such as price and technical merit. Chemonics expects suppliers to comply with our Standards of Business Conduct, available at <https://www.chemonics.com/our-approach/standards-business-conduct/>.

Chemonics does not tolerate fraud, collusion among offerors, falsified proposals/bids, bribery, or kickbacks. Any firm or individual violating these standards will be disqualified from this procurement, barred from future procurement opportunities, and may be reported to both USAID and the Office of the Inspector General.

Employees and agents of Chemonics are strictly prohibited from asking for or accepting any money, fee, commission, credit, gift, gratuity, object of value or compensation from current or potential vendors or suppliers in exchange for or as a reward for business. Employees and agents engaging in this conduct are subject to termination and will be reported to USAID and the Office of the Inspector General. In addition, Chemonics will inform USAID and the Office of the Inspector General of any supplier offers of money, fee, commission, credit, gift, gratuity, object of value, or compensation to obtain business.

Offerors responding to this RFQ must include the following as part of the proposal submission:

- Disclose any close, familial, or financial relationships with Chemonics or project staff. For example, if an offeror's cousin is employed by the project, the offeror must state this.
- Disclose any family or financial relationship with other offerors submitting proposals. For example, if the offeror's father owns a company that is submitting another proposal, the offeror must state this.
- Certify that the prices in the offer have been arrived at independently, without any consultation, communication, or agreement with any other offeror or competitor for the purpose of restricting competition.
- Certify that all information in the proposal and all supporting documentation are authentic and accurate.
- Certify understanding and agreement to Chemonics' prohibitions against fraud, bribery and kickbacks.

Please contact Procurement department dceoprocurement@iraqdceo.com with any questions or concerns regarding the above information or to report any potential violations. Potential violations may also be reported directly to Chemonics' Washington office through the contact information listed on the website found at the hyperlink above.

Section 1: Instructions to Offerors

1. **Introduction:** (DCEO) Project is a USAID program implemented by Chemonics International in Iraq. The goal of DCEO is to develop adaptive, resilient communities and increase economic opportunity. As part of project activities, DCEO requires **Supplying Weighting, filling, and packaging machine**. The purpose of this RFQ is to solicit quotations for this activity.

Offerors are responsible for ensuring that their offers are received by Chemonics in accordance with the instructions, terms, and conditions described in this RFQ. Failure to adhere with instructions described in this RFQ may lead to disqualification of an offer from consideration.

2. **Offer Deadline and Protocol:** Offers must be received no later than **5:00 PM local Iraq time on October 06, 2022**, by email. Any emailed offers must be emailed to tenders@iraqdceo.com.

Please reference the RFQ number in any response to this RFQ. Offers received after the specified time and date will be considered late and will be considered only at the discretion of Chemonics.

3. **Questions:** Questions regarding the technical or administrative requirements of this RFQ may be submitted no later than **5:00 PM local Erbil time on September 30, 2022**, by email to dceoprocurement@iraqdceo.com. Questions must be submitted in writing; phone calls will not be accepted. Questions and requests for clarification—and the responses thereto—that Chemonics believes may be of interest to other offerors will be circulated to all RFQ recipients who have indicated an interest in bidding.

Only the written answers issued by Chemonics will be considered official and carry weight in the RFQ process and subsequent evaluation. Any verbal information received from employees of Chemonics, or any other entity should not be considered as an official response to any questions regarding this RFQ.

4. **Specifications:** Section 3 contains the technical specifications of the required items. All commodities offered in response to this RFQ must be new and unused. In addition, all electrical commodities must operate on 240V, 50Hz.

Please note that, unless otherwise indicated, stated brand names or models are for illustrative description only. An equivalent substitute, as determined by the specifications, is acceptable.

5. **Quotations:** Quotations in response to this RFQ must be priced on a fixed-price, all-inclusive basis, including delivery and all other costs. Pricing must be presented in US Dollars (USD). Offers must remain valid for not less than Sixty (60) calendar days after the offer deadline. Offerors are requested to provide quotations on their official quotation format or letterhead; in the event this is not possible, offerors may complete the table in Section 3.

In addition, offerors responding to this RFQ are requested to submit the following:

- Organizations responding to this RFQ are requested to submit Cover letter, signed by an authorized representative of the offeror (see Section 4 for template)
- Official quotation, including price, specifications of offered commodities (see Section 3 below for example format) and 3 past performance references.
- Federal Funding Accountability and Transparency Act (FFATA) Subaward Reporting Questionnaire, signed by an authorized representative of the offeror (see Section 5 for questionnaire)
- Copy of offeror's registration or business license (see Section 1.5 for more details)

- **Catalog of the offered model including specifications and pictures.**

6. **Delivery:** The delivery location for the items described in this RFQ is **Bashiqa Subdistrict, Ninewa Governorate ,Iraq**. As part of its response to this RFQ, each offeror is expected to provide an estimate (in calendar days) of the delivery timeframe (after receipt of order). The delivery or work completion date estimate presented in an offer in response to this RFQ must be upheld in the performance of any resulting contract.
7. **Source/Nationality/Manufacture:** All goods and services offered in response to this RFQ or supplied under any resulting award must meet **USAID Geographic Code 937** in accordance with the United States Code of Federal Regulations (CFR), [22 CFR §228](#). The cooperating country for this RFQ is Iraq.

Offerors may not offer or supply any commodities or services that are manufactured or assembled in, shipped from, transported through, or otherwise involving any of the following countries: Cuba, Iran, North Korea, Syria.

Any and all items that are made by Huawei Technology Company, ZTE Corporation, Hytera Communications Corporation, Hangzhou Hikivision Digital Technology Company, Dahua Technology Company will not be accepted. If quotes include items from these entities, please note that they will be deemed not technically responsive and excluded from competition.”

8. **Taxes and VAT:**

The agreement under which this procurement is financed is not exempt from the payment of taxes, VAT, tariffs, duties, or other levies imposed by any laws in effect in the Cooperating Country. Therefore, offerors must include taxes, VAT, charges, tariffs, duties and levies in accordance with the laws of the Cooperating Country.

- a) **UEI Number:** Companies or organizations, whether for-profit or non-profit, shall be requested to provide a Unique Entity Identifier (UEI) number if selected to receive an award in response to this RFQ valued greater than or equal to USD\$30,000 (or equivalent in other currency). If the Offeror does not have a UEI number and is unable to obtain one before the submission deadline, Offeror shall include a statement noting their intention to obtain a UEI number should it be selected as the successful offeror or explaining why registration for a UEI number is not possible. Contact [sam.gov](#) to obtain a number. Further guidance on obtaining a UEI number is available from Chemonics upon request.

9. **Eligibility:** By submitting an offer in response to this RFQ, the offeror certifies that it and its principal officers are not debarred, suspended, or otherwise considered ineligible for an award by the U.S. Government. Chemonics will not award a contract to any firm that is debarred, suspended, or considered to be ineligible by the U.S. Government.

10. **Evaluation and Award:**

The award will be made to a responsible offeror whose offer follows the RFQ instructions, meets the eligibility requirements, meets, or exceeds the minimum required technical specifications, and is judged to be the best value based on a lowest-price, technically acceptable basis (LPTA) Please note that if there are significant deficiencies regarding responsiveness to the requirements of this RFQ, an offer may be deemed “non-responsive” and thereby disqualified from consideration. Chemonics reserves the right to waive immaterial deficiencies at its discretion.

Best-offer quotations are requested. It is anticipated that award will be made solely on the basis of these original quotations. However, Chemonics reserves the right to conduct any of the following:

- Chemonics may conduct negotiations with and/or request clarifications from any offeror prior to award.
- While preference will be given to offerors who can address the full technical requirements of this RFQ, Chemonics may issue a partial award or split the award among various suppliers, if in the best interest of the DCEO Project.
- Chemonics may cancel this RFQ at any time.

Please note that in submitting a response to this RFQ, the offeror understands that USAID is not a party to this solicitation and the offeror agrees that any protest hereunder must be presented—in writing with full explanations—to the DCEO Project for consideration, as USAID will not consider protests regarding procurements carried out by implementing partners. Chemonics, at its sole discretion, will make a final decision on the protest for this procurement.

11. **Terms and Conditions:** This is a Request for Quotations only. Issuance of this RFQ does not in any way obligate Chemonics, the DCEO Project, or USAID to make an award or pay for costs incurred by potential offerors in the preparation and submission of an offer.

This solicitation is subject to Chemonics' standard terms and conditions. Any resultant award will be governed by these terms and conditions; a copy of the full terms and conditions is available upon request. Please note the following terms and conditions will apply:

- (a) Chemonics' standard payment terms are net 30 days after receipt and acceptance of any commodities or deliverables. Payment will only be issued to the entity submitting the offer in response to this RFQ and identified in the resulting award; payment will not be issued to a third party.
- (b) Any award resulting from this RFQ will be firm fixed price, in the form of a purchase order.
- (c) No commodities or services may be supplied that are manufactured or assembled in, shipped from, transported through, or otherwise involving any of the following countries: Cuba, Iran, North Korea, Syria.
- (d) Any international air or ocean transportation or shipping carried out under any award resulting from this RFQ must take place on U.S.-flag carriers/vessels.
- (e) United States law prohibits transactions with, and the provision of resources and support to, individuals and organizations associated with terrorism. The supplier under any award resulting from this RFQ must ensure compliance with these laws.
- (f) The title to any goods supplied under any award resulting from this RFQ shall pass to Chemonics following delivery and acceptance of the goods by Chemonics. Risk of loss, injury, or destruction of the goods shall be borne by the offeror until title passes to Chemonics.

Section 2: Offer Checklist

To assist offerors in preparation of proposals, the following checklist summarizes the documentation to include an offer in response to this RFQ:

- Cover letter, signed by an authorized representative of the offeror (see Section 4 for template)
- Official quotation, including specifications of offered equipment (see Section 3 for example format)
- Federal Funding Accountability And Transparency Act (FFATA) Subaward Reporting Questionnaire, signed by an authorized representative of the offeror (see Section 5 for questionnaire).
- Copy of offeror's registration or business license (see Section 1.5 for more details)
- Company Profile
- Past performance
- Catalog and Pictures with specifications for each item.

Section 3: Specifications and Technical Requirements

The table below contains the technical requirements of the commodities/services. Offerors are requested to provide quotations containing the information below on official letterhead or official quotation format. In the event this is not possible, offerors may complete this Section 3 and submit a signed/stamped version to Chemonics.

Pricing Section:

#	Description and Specifications	Unit	Qty	Specifications of offered Model	Unit Price USD	Total Price USD
1	<p>Automatic Weighing filling and packaging machine</p> <p>100-1000 gm, with a capacity of 20-60 bag/min. Delivery and Installation Cost to Factory in Bashiqa District , Ninewa Governorate, Iraq in USD:						
GRAND TOTAL USD:						

Delivery time (after receipt of order): _____ calendar days

Length of warranty on offered equipment: _____ years.

Location of service center(s) for after-sales service, including warranty repair: _____

Validity of offer in (Calendar Days): _____ calendar days

Section 4: Offer Cover Letter

The following cover letter must be placed on letterhead and completed/signed/stamped by a representative authorized to sign on behalf of the offeror:

To: DCEO
Durable Communities and Economic Opportunities (DCEO)
Erbil, Iraq

Reference: RFQ No. DCEO-ERB-TECH-2022-054

To Whom It May Concern:

We, the undersigned, hereby provide the attached offer to perform all work required to complete the activities and requirements as described in the above-referenced RFQ. Please find our offer attached.

We hereby acknowledge and agree to all terms, conditions, special provisions, and instructions included in the above-referenced RFQ. We further certify that the below-named firm—as well as the firm’s principal officers and all commodities and services offered in response to this RFQ—are eligible to participate in this procurement under the terms of this solicitation and under USAID regulations.

Furthermore, we hereby certify that, to the best of our knowledge and belief:

- We have no close, familial, or financial relationships with any Chemonics or DCEO project staff members;
- We have no close, familial, or financial relationships with any other offerors submitting proposals in response to the above-referenced RFQ; and
- The prices in our offer have been arrived at independently, without any consultation, communication, or agreement with any other offeror or competitor for the purpose of restricting competition.
- All information in our proposal and all supporting documentation is authentic and accurate.
- We understand and agree to Chemonics’ prohibitions against fraud, bribery, and kickbacks.

We hereby certify that the enclosed representations, certifications, and other statements are accurate, current, and complete.

Section 5: Federal Funding Accountability And Transparency Act (FFATA) Subaward Reporting Questionnaire

If the offeror is selected for an award valued at \$30,000 or above, and is not exempted based on a negative response to Section 3(a) below, any first-tier subaward to the organization may be reported and made public through FSRS.gov in accordance with The Transparency Acts of 2006 and 2008. Therefore, in accordance with FAR 52.240-10 and 2CFR Part170, if the offeror positively certifies below in Sections 3.a and 3.b and negatively certifies in Sections 3.c and 3.d, the offeror will be required to disclose to Chemonics for reporting in accordance with the regulations, the names and total compensation of the organization's five most highly compensated executives. By submitting this quotation, the offeror agrees to comply with this requirement as applicable if selected for a subaward.

In accordance with those Acts and to determine applicable reporting requirements, certifies as follows:

a) In the previous tax year, was your company's gross income from all sources above \$300,000?

Yes No

b) In your business or organization's preceding completed fiscal year, did your business or organization (the legal entity to which the DUNS number belongs) receive (1) 80 percent or more of its annual gross revenues in U.S. federal contracts, subcontracts, loans, grants, subgrants, and/or cooperative agreements; **and** (2) \$25,000,000 or more in annual gross revenues from U.S. federal contracts, subcontracts, loans, grants, subgrants, and/or cooperative agreements?:

Yes No

c) Does the public have access to information about the compensation of the executives in your business or organization (the legal entity to which the DUNS number it provided belongs) through periodic reports filed under section 13(a) or 15(d) of the Securities Exchange Act of 1934 (15 U.S.C. 78m(a), 78o(d)) or section 6104 of the Internal Revenue Code of 1986? (FFATA § 2(b)(1)):

Yes No

d) Does your business or organization maintain an active registration in the System for Award Management (www.SAM.gov)?

Yes No

I hereby certify that the above statements are true and accurate, to the best of my knowledge.

Attachment 1:**Stand-up Weighing, filling, and packing machine**

Application :	Filling ,weighing , packing and date printing machine.
Materials will be filled :	Legumes , vermicelli, rice, mashed, lentils, bulgur, cloves, vinegar.
Filling weight (g) :	100- 1000
Filling accuracy(g) :	±1-3 %
Filling capacity adjustment :	Yes- adjustable filling nozzles
Packing speed for bag/min :	20-60
Film width (max.) mm :	420 mm Max
Film thickness (max.) µm:	30-100 Micrometer
Bag length (mm) :	200 – 380 mm
Bag width (mm) :	100-350 mm
Wrapping materials (bags):	Heat sealable film, such as PP, PE
Bag Style :	Centre Seal Side
Working load :	The machine will be working in a safe, low noise , reliable and durable conditions for at least 8 Hours/Day for 312 days /Year.
Power :	Thermal heaters : 380 volts insulated from well-known brands Motors :380V,50 Hz ,IP,44, 54,55,65
Attachments (feeder) :	Automatic feeding system fits with machine filling capacity
Attachments (date printer):	Premium Thermal Date Printer 3 Lines Product Expiry is attached
Attachments (conveyer) :	A conveyor line to transfer raw materials made of (SS304) and sufficient to the production sies, rate and speed.
Attachments (Carton Glue) :	Yes, to be provided (As separate unit, not integrated with machine)
Specifications :	<ol style="list-style-type: none"> 1.Adjustable vertical sealing system 2.Adjustable horizontal welding distance (Bag length) from touch screen. 3.Movable control screen is preferred 4.Ability of replacement of the adjustment parts without using manual tools . 5.Control horizontal welding pressure from touch screen .
Features & Control :	<ol style="list-style-type: none"> 1.Packaging programs can be saved and downloaded for different products and repeatable for same product . 2.Touch screen control panel and computerized PLC from well-known provider . 3.Machine can be functional tested manually (ON/OFF). 4.High accuracy thermostats, sensors, and detectors from well-Known brands . 5.Well integrated, synchronized the timing of filling and packing parts to achieve ultimate quality of performance .
Quality :	<ol style="list-style-type: none"> 1.Body materials in contact with food and telescopic cups are made of SS304 Or SS316. 2.Other body's parts are made of stainless steel or high-quality steel coated with paint resistance to Alkaline and acidic substances and high temperatures resistance. 3.All machine's plate thicknesses will be according to standard for similar products that ensure rigidity and present a robust stable machine .

	<p>4.All electrical parts ,motors, circuit breakers ,relays, connections are made from high quality materials and technology and match the American and European standards from well-known international brands.</p>
<p>Other requirements :</p>	<ol style="list-style-type: none">1.Providing the machine to site ,installation and sufficient training for at least two operators are required .2.Start up and test run is required to prove the performance and quality of products .3.Certificate of quality (CE,ISO) for the manufacturer and machine is required .4.Clear warranty certificate is required5.Clear packing list for what's in the box ...6.Operation and maintenance manual in (English- at least) .7.Recomended spare past list for two years is preferable
