Request for Quotation

Overview on KAPITA

KAPITA Business Hub (Mehwar Alamal for Business Management Development and human resource training company) is a private sector development Company that aims to empower small and medium-sized enterprises (SMEs) through investment, research, incubation/acceleration, and market development programs.

KAPITA Company (Herein referred to as KAPITA) is pleased to invite prospective bidders to submit a quotation for five-months agreement under KAPITA's terms and conditions contained herein, for the provision of services described.

1. Introduction and Specification

*Introduction to the related targeted programs:

- Scale up Academy Program:

The Scale up Academy, is a pre-acceleration program that helps entrepreneurs with established start-ups grow their business beyond the formation & validation phases, as it supplies them with all proper know-how and firepower to overcome challenges & maximize profits.

Through the pre-acceleration program, we strive to admit founders & key team members into intensive general & tailored sessions for eight weeks to gain knowledge in Finance, Business model refinement, operational excellence & resource management, as well as advanced marketing & advertising techniques.

Scope of the required services:

We, at KAPITA Business Hub, are planning to provide the bellow requested services to the startups who are participating in scaleup academy program. By providing these services, we anticipate that this will be an added value to the startup businesses and to have a significant improvement as well.

Service providers/Suppliers are invited to submit their offers in response to this RFQ and services laid out below:

K.\PIT.\
